

Signature form - Joint Call for Action on Circular Construction

By signing this declaration, we call on the EU institutions to make circular construction a cornerstone of the upcoming Circular Economy Act to face the raw materials crisis experienced by European cities and regions.

Insert the representative's signature in the space below:

Signature of representative

Insert the English title of signatory and English title of organisation below:

Title of signatory and title of organisation to be displayed

An initiative launched by the Capital Region of Denmark and
the Greater Copenhagen EU Office.
